Umsasane RR

2016: heaps of cedar and dark plums and spice in a compelling and clean wine, very nice.	2016	87	2017-2027
2019: silky rich and full fruited, dark bramble core with wood spice and supportive tannins, built to last and nicely unmanicured.	2019	90	2021-2030

Cabernet Sauvignon

RR

2016: blue and black fruit compote, with sour dark cherries and grippy tannins, long and will improve.
