Vintage Score best drinking

Axle Chenin Blanc RRR

2019: nicely hessian textured with orange peel and stewed green apple notes, layered and packs a punch for 12% alcohol.

2019 92 2020-2030

Swallow Red Blend RR

2018: quirky and with the funk of Mourvèdre carbonic style, bold liquorice black fruit, a touch jammy but with heaps of personality.

2018 86 2019-2028

2020: light, juicy and quite untamed, with wild redcurrant and cranberry fruit, fresh and compelling if a touch angular in youth.

2020 88 2022-2029

Cinsault RR

2018: glossy and aromatic, with plush sour cherry and raspberry notes, silky smooth and generous, great acid balance and freshness.

2018 92 2019-2028

2019: walks a fine line of acidity, rich yet restrained cherry and red forest wild fruits, succulent, compelling and completely delicious. A Cinsault masterclass.

2019 92 2020-2030
